**Email:** [srikanthgoud9793@gmail.com](mailto:srikanthgoud9793@gmail.com)

**Contact:** +91-7093533764.

## **Carrier Objective**

Aim to work in a challenging work environment where I can utilize my expertise in technical skills towards the development and implementation of new ideas, contributing to growth of the organization and my career.

## **Education**

Degree/ Examination	Year of Passing	School/Institute	Board/University	Percentage/ Grade
B.Tech (ECE)	2020	Madanapalle Institute of Technology & Science, Madanapalle.	Jawaharlal Nehru Technological University, Anantapur.	8.4 CGPA
Class XII	2016	Prabhakar Reddy Junior, College.	Board of Intermediate Education,A.P.	94.4%
Class X	2014	Bhashyam Public School, Kavali.	Board of Secondary Education,A.P.	8.5 CGPA

## **Project Work & Internship**

- **Minor project:**

- Title : Arduino Based Fingerprint Door Lock
- Technology : Arduino Uno
- Description : Arduino based fingerprint door locks can be very useful for door security, forensics, crime investigation, personal identification attendance system and much more.

- **Internship:**

I completed my 4 weeks training in **APSSDC on House Wiring, Electrician Foundation and Engineering Drawing** at Madanapalle Institute of Technology and Science.

- **Main Project:**

- Title : Bike Sharing Systems
- Technology : Java
- Description : Bike sharing systems are public transportation systems that provide bicycles for shared use to individuals- on a short-term basis. This system will help users to rent bicycles from one location and return them to another, making it convenient and sustainable mode of transportation.

## Work Experience

### Currently Working Project:

**Project Title : Microsoft Dynamics Retail and Commerce in Dynamics 365**

**Role : Junior Full Stack Developer-2**

**Duration : January 2021 to till date**

### Project Description:

Microsoft Dynamics Retail Management System (RMS) offers small and mid-market retailers a complete point-of-sale (POS) solution that can be adapted to meet unique retail requirements. This powerful software package automates POS processes and store operations, provides centralized control for multi-store retailers. Microsoft Dynamics RMS is built on a proven Microsoft platform that adapts to meet unique and changing retail needs.

Currently, I am part of Dynamics 365 **Ecommerce** development, Point of sale(pos) and Retail Part. I am taking care of **Bug fixing, Feature gaps and Feature Implementations** based on customer requirements in ECOM (**Feature name:** B2B Catalogs) and POS using React with Typescript. I have written **merchandising** functional test cases using C# in Retail Channel solution. I have very good knowledge on AX functionality like B2B and B2C functionality, Hardware stations, Adyen payment connector setups and E2E validation.

**Environment-Tools:** - C#, TypeScript, .Net Core, Web API, SQL Server 2019, HTML 5, CSS, GitRepository, React, Dynamics 365 AX.

### Responsibilities:

- Taking responsibility of developing new features and bug fixing by understanding the business need and requirement.
- Responsible for timely completion of those modules in accordance with the development methodology and quality standards.
- Responsible for functionality testing and unit testing during the development process.

## Employment History

- Having 2 Years of IT Experience in Software Development, Implementation, and Maintenance in projects using C#.NET, ASP.NET MVC, MVVM, SQL SERVER and other technologies.
- Good hands-on experience in developing front end applications using HTML 5, CSS 3, JavaScript, React, Typescript
- Good hands-on experience of SQL Server Database in developing stored procedures, functions, views, and triggers.

**Awards:** Received an “**Engineering and R&D Services Champion Award**” in HCL on 04<sup>th</sup> Jan 2022.

## Software Skill Set

- Languages : JAVA, C SHARP, SQL, Microsoft Dynamics AX
- Web Technologies: HTML, CSS, SASS, JAVASCRIPT, TYPESCRIPT, REACT, Knockout.js
- Operating System: Windows, Ubuntu, Remote Desktop (RDP)
- Tools : Dynamics365 F&O.

## Academic Achievements & co-circular Activities

- Appreciation certificate of technical quiz in **ECLECTICA**-2018 at Madanapalle Institute of Technology and Science.
- Attended 3 days workshop on “**ROBOTICS**” in Madanapalle Institute of Technology and Science.
- I was completed 1 month course on basics of C at ARC Institute, Madanapalle.
- Received a prize for actively participated in co-curricular activities at Indus High School.

## Extra Circular Activities

- Participated in cultural activities and sports.
- Member of NSS volunteer.
- Appointed as a leader in engineering.
- Conducted poster presentation in ECLECTICA-2019, Madanapalle Institute of Technology and Science.

## Personal Details

Name	: Pynaboina Srikanth
Father's Name	: Pynaboina Thirupathi
DOB	: 24/06/1998
Gender	: Male
Nationality	: Indian
Address	: D-No:10-15-49/c5, Shanthi Nagar, Kavali, Nellore (dist.), Pin:524201.
Languages Known	: Telugu, English and Hindi

## Declaration

I hereby declare that the information furnished above is true to the best of my knowledge.
